

# Recording Measurements

0 1 2 3 4 5 6 7 8 9

1. Write numbers clearly and slowly

correct: 0 1 2 3 4 5 6 7 8 9

not: 0 1 2 3 4 5 6 7 8 9

2. Fill in ALL boxes where applicable. Use leading zeros

- Know your forms!

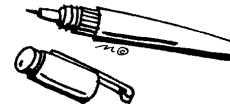

Record digits in the appropriate boxes

## Request Permission for Use

0	7	6	.	2	Not	7	6	2	.	
---	---	---	---	---	-----	---	---	---	---	--

3. Use pen; cross out errors completely & record correct measurement

- cross out with a single line
- circle the correct data
- initial and date
